

**Position:** CDL Driver

**Reports to:** Trucking Manager/Operations Manager

**Department:** Operations

**Classification:** Non-Exempt

**Job Purpose:** The CDL Driver is responsible for transporting different types of materials and/or equipment to client locations using a truck and trailer. They are also required to perform inspections before and after a trip, and unload products from the trailer to client facilities or job site. They are responsible for cleaning the truck and trailer in the yard both before and after use. The CDL Driver also needs to follow appropriate safety procedures to transport dangerous cargo and maintain logs of vehicle repair status and working hours. They must understand oversize permit requirements, regulations, and applicability.

**Key Duties/Responsibilities:**

- Drive different types of trucks and trailers.
- Prep trucks and trailers for transport.
- Use proper tie down procedures and points on the equipment being hauled.
- Manage proof of delivery paperwork from customers and daily field tickets.
- Manage permitting paperwork.
- Assist workers in loading and unloading trucks.
- Check mechanical aspects of the vehicle and filling out a DVIR on the truck and trailer every day.
- Plan routes and meet delivery schedules.
- Comply with DOT rules and regulations on all loads (size, weight, routes, parking and break periods).
- Report all defects, accidents or violations to the Advanced Oilfield Services local office within 24 hours of the citation (regardless of on or off duty status).
- Properly install and remove tire chains in adverse driving conditions.

**General Requirements:**

- Maintain a drug free workplace.
- Maintain a high regard for personal safety and safety of others around. Actively participate in Safety programs.
- Be at work ON TIME, fit for duty.
- Self-motivation.
- Ability to work independently.
- Strong interpersonal skills.
- Good knowledge of roads, including road limitations, weight restrictions, etc.
- Ability to work under pressure.
- Strong work ethic.
- Ability to read client orders and follow safety regulations.

**Qualifications:** High School Diploma or GED. Valid Commercial Driver's License (CDL) and up to date medical card. Good communication skills, including the ability to effectively present information and respond to questions verbally and/or in writing from management, employees, clients, contractors, and others.

**Work Environment:** While performing the duties of this Job, the employee is regularly exposed to outdoor weather conditions. The employee is frequently exposed to work near moving mechanical parts and vibration. The employee is occasionally exposed to wet or humid conditions (non-weather); fumes or airborne particles; toxic or caustic chemicals; extreme cold (non-weather) and extreme heat (non-weather). The noise level in the work environment is usually loud.

**Physical Demands:** The employee must regularly lift and /or move up to 50 pounds and occasionally lift and/or move up to 100 pounds. Specific vision abilities required by this job include distance vision and depth perception. While performing the duties of this Job, the employee is regularly required to stand. The employee is frequently required to walk; use hands to finger, handle, or feel; reach with hands and arms; climb or balance; stoop, kneel, crouch, or crawl and talk or hear. The employee is occasionally required to sit.
