

Project Estimator

Advanced Contracting Group, LLC is a civil, environmental, and energy service contractor in Platteville, CO. ACG has been a service contractor for over 25 years now, operating in the continental US. ACG is rapidly growing in the civil construction market.

Advanced Contracting Group, LLC is currently in search of a highly analytical and qualified estimator to join our team to help us grow. Candidates central goal will be to prepare accurate bids for earth work, reclamation, landscaping, erosion control, and facility builds.

Key responsibilities will be:

- Review and quantitate RFP's & RFQ's received from companies and bidding sites.
- Collect quotes from pre-approved vendors, subcontractors, and suppliers.
- Ability to compute costs by analyzing labor, material, and time requirements.
- Resolves discrepancies by collecting and analyzing information.
- Build estimates in Bid 2 Win software.
- Work closely with managers and supervisors to transfer field data to actual estimates.

Requirements:

- Bachelor's Degree in accounting, construction management, engineering, or similar.
- A minimum of one (1) year experience with Bid 2 Win Estimate Software.
- Very proficient with Microsoft Office Suite.
- Strong problem-solving abilities and attention to detail.
- Self-Motivator with flexible work schedule.
- Experience with: Bidnet, isqft, dodge analytics, blue book network, or similar.

Annual salary ranging from \$45,000 to \$80,000 depending on experience. Full benefit package with paid time off.
